

HAMMAD MUMTAZ

Unity Game Developer | Unity 2D & 3D | C# | Graphic Designer
Lahore, Pakistan | +92 328 4773029 | hammadmumtaz001@gmail.com

PROFESSIONAL SUMMARY

Unity Game Developer with 1+ year of hands-on experience in Unity 2D and 3D game development and professional graphic design. Proficient in C#, OOP, gameplay mechanics, physics-based interactions, basic AI, animation integration, debugging, and performance optimization. Completed a professional internship delivering client-based projects for mobile and PC platforms. Strong team collaborator with a passion for creating engaging, optimized, and visually compelling digital experiences.

TECHNICAL SKILLS

- Unity 2D & 3D Game Development
- C# Programming & OOP
- Gameplay Mechanics Development
- Player Controls & Character Movement
- Physics-Based Interactions
- Basic AI Implementation
- Animation Integration
- Debugging & Performance Optimization
- UI/UX Implementation
- Unity Editor & Visual Studio
- Adobe Photoshop & Illustrator
- CorelDRAW
- Logo, Brochure & Flyer Design
- Team Collaboration & Client Interaction

WORK EXPERIENCE

Junior Game Developer | Code X Layer

Dec 2025 – Present

- Develop and enhance 2D and 3D games using Unity and C#, implementing gameplay mechanics, player controls, physics-based interactions, and basic AI systems.
- Optimize game performance for mobile and PC platforms; integrate animations for smooth, responsive gameplay.
- Collaborate with cross-functional teams of designers and developers to deliver client-facing projects on schedule.
- Key Projects: Braided Hair Spa, Dragon Warrior 2D, Horse Cleaning Game, Flappy Bird Clone, Third-Person Shooting Controller, Science Lab Experiment.

Game Developer Intern | Code X Layer

Jun 2025 – Dec 2025

- Contributed to multiple Unity-based game projects; developed gameplay logic and implemented new game features.
- Identified and resolved bugs, improving game stability and overall performance across builds.
- Gained hands-on experience with professional game development workflows and agile collaboration practices.

Graphic Designer Intern | Code X Layer

Oct 2024 – May 2025

- Designed logos, brochures, flyers, and digital artwork using Adobe Photoshop, CorelDRAW, and Illustrator.
- Collaborated directly with clients to translate creative briefs into high-quality visual deliverables within deadlines.

EDUCATION

Bachelor of Computer Science

2024 – 2028

The Superior University – Gold Campus, Lahore

Intermediate in Computer Science (ICS)

2022 – 2024

KIPS Education System, Lahore

KEY ACHIEVEMENTS

- Successfully managed and delivered multiple concurrent projects during internships, meeting all quality and deadline targets.
- Organized a student-led university seminar, demonstrating leadership, public speaking, and event management skills.
- Recognized by supervisors for creativity and technical proficiency across both game development and graphic design disciplines.
- Actively participated in group discussions, presentations, and university events to build teamwork and communication skills.
